

Pegasus Art OPEN STUDIOS 2019

**11 - 12 - 18 - 19th May
11am - 6pm**

Pegasus Art has been supplying fine art materials since 2005. We are also a hub for the artist community of Stroud and beyond offering regular art classes and workshops. Last Summer we renovated the top floor of our mill which has become the spacious 'Attic Studios'.

We now have eight private studios which will be open to the public for four days in May.
Everyone is welcome!
