Contact: alexandradarbyshire@gmail.com

Tuesdays

NEW Sketchbook Development with Paul Fowler

NEW mixed media course for consolidating ideas & distilling abstract thoughts into an exciting sketchbook for use on future projects. Developing your sketchbook and drawing techniques is often sited as the missing process in the artistic journey. This course will build confidence in all areas. Have fun, learn new skills!

9.30am - 12.30pm 6 weeks £95

Contact Paul to book: fowlerlayfigures@gmail.com

Acrylic Painting for Beginners & Intermediates with Alexandra Darbyshire

This course is suited to individuals who have never painted before, or have some experience, and are ready to expand their skills and confidence with acrylics. Students can create fast drying artworks making it an ideal medium for one's own home (such as the kitchen.) Alexandra will show you the 'wet-in-wet' technique.

1 - 4pm 6 week course

Wednesdays

Drawing Skills with Paul Fowler

Designed for anyone wishing to develop their drawing skills and suitable for all abilities. Each six week course has a set theme and uses a series of objects and references to inspire and surprise. One drawing is developed over the six sessions on a large sheet of paper. Each week drawings morph and develop as the new objects arrive, giving students the freedom to incorporate imagination and experiment with a variety of drawing techniques.

9.15am - 12.15pm 6 weeks - £95

Fridays

Develop Skills & Creativity in Painting with Rob Collins MA RCA

With Rob's encouragement and skill, find ways of painting that suit you individually in any medium.

Rob has designed this course to appeal to anyone wishing to develop their painting skills whether you are a complete beginner or someone with experience working in isolation who needs guidance and motivation.

As a serious professional artist and experienced tutor, Rob is perfectly placed to encourage his students. He will set up a still life each week but expects many students to work from their own source material or on self motivated projects.
