## Fridays

### Develop Skills & Creativity in Painting with Rob Collins MA RCA

With Rob's encouragement and skill, find ways of painting that suit you individually in any medium.

Rob has designed this course to appeal to anyone wishing to develop their painting skills whether you are a complete beginner or someone with experience working in isolation who needs guidance and motivation.

As a serious professional artist and experienced tutor, Rob is perfectly placed to encourage his students. He will set up a still life each week but expects many students to work from their own source material or on self motivated projects.
