## 3 Day Painting Programme

Everything you need to know in 3 days.

If you have always wanted to paint this is the place to start.

Perhaps you enjoyed painting when you were younger, but gave up. Maybe you were always told you weren't very good at it? You studied art at college...but life got too busy! If you've never picked up a paintbrush before and are longing to give it a try....this workshop is for YOU!

### WHAT WILL I LEARN?

- A lesson about materials - everything you need to get you started
  - Look at techniques, colour, mixing, composition and painting
- Head outdoors and enjoy painting 'plein air'
  - Questions - ask as many as possible!
  - Ideas and practice for moving forward

## What do I need to bring?
